

PLAN

SECTION A-A

SECTION B-B

SECTION C-C

REVISIONS & NOTES

1. According to the seating plan, the restaurant can host 68 people.
2. The ceramic used in the open area, service area and kitchen is Red 19.7x19.7 floor tile from Bien's Pastel series.
3. The ceramic to be used on the wall behind the kitchen is a 10x10, glossy Lava Red model from Vitra's Retromix collection.
4. The color of the paint, which is a mixture of gray-green color to be used on the walls, is RAL 7023.
5. Service counter is made from Marmara marble. All metal details are black or tumbled brass. Hazeran used on the chairs. Wooden products are procured from walnut.
